

Untouchable (BRKLYN)

Tritonal & Cash Cash

We've been wondering in the dark
A million miles apart
Going nowhere
Believe that even if we're lost
You know it won't be long 'til we get there
Spinning around no control
Burning down I'm letting go
We've been wondering in the dark
When no matter where are
Just remember We rise and we fall
We'll stay
We'll stay untouchable
Yeah, after it all
We'll stay
We'll stay untouchable
Time is slipping through our hands
We're sinking in the sand to forever
Lie, surrender to the dark
But we could make a spark here together
Hanging on by a thread
We will climb back again
Time is slipping through our hands
It's hard to understand
But remember We rise and we fall
We'll stay
We'll stay untouchable
Yeah, after it all
We'll stay
We'll stay untouchable
We rise and we fall
We'll stay
We'll stay untouchable
Yeah, after it all
We'll stay
We'll stay untouchable We'll stay
We'll stay untouchable We'll stay
We'll stay untouchable
We'll stay
We'll stay untouchable
