Axolotl

The Veils

I'm glowing bright, obsidian
Axolotl, amphibian
Un-elemental chemicals
Got me growing six black tentaclesA little nightmarish, a little maudlin
Good golly go get the kid some laudanum!
Salvation's more than I can afford
Who needs The Devil when you've got The Lord?Oh my soul
Losing control
Who built this heart?
Oh my God.
Now Sister Maggie's coming in fleet-foot
Baby's got a belly full of black soot
I've got the feeling I'd better just stay put
Ah she'll love you better than any real man couldAn accidental amphibian
I'm growing giddy as a Gideon
Another head for the chopping board
Who needs The Devil when you've got The Lord?
Oh my soul
Who's in control
Who built this heart?
Oh my God.
