

Monsters In The Parasol (Live At The Troubadour)

Queens of the Stone Age

The walls are closing in again, oh well
The walls are closing in again, oh well
I seen some thing I thought I never saw
Covered in hair
Paul's dad is warped and bubbling, oh well
Paul's dad is warped and bubbling, oh well
And my mind is out here on another wave
Covered in hairShe won't grow[Chorus]
You've got a monster (distress) in your parasol (body out??)
You've got a monster (dwarfs, doors?) in your parasol (of course)
You've got a monster (displeasure) in your parasol (I told you??)
You've got a monster ? in your parasol (x-nay?)
Paul's sister is an alien, oh wellPaul's sister is an alien, oh well
I seen some things I thought I never saw
Covered in hairShe won't growYou've got a monster (distress, my pest?) in your parasol
You've got a monster (dwarfs) in your parasol (war horse)
You've got a monster (displeasure) in your parasol ?
You've got a hole in you I never saw ?
In your parasol, in your parasol
