

Dirty Secret Toy

Gravity Co.

DIRTY SECRET TOY

I count your weight in bullets
As I cock â€™n load â€™em up
I heard that youâ€™re the hardest
Mistress of the mind, by design
Attempts to ask you nicely
I guess destroyed our fun
But think this time youâ€™ve started
Looking on the bright side, as youâ€™re staring up my Gun

Iâ€™ll letâ€™cha be my dirty secret toy
Getâ€™cha jumping at the deep end
Iâ€™ll letâ€™cha be my dirty secret toy
Make this bitter day a weekend

Reward comes at a balance
With me that ice is thin
Now step onto my island
Safe on the outside, glad you ventured in

Iâ€™ll letâ€™cha be my dirty secret toy
Getâ€™cha jumping at the deep end
Letâ€™cha be my dirty secret toy
Make this bitter day a weekend
