Christmas Ain't Christmas

SWV

Christmas just ain't Christmas
Without the one you love
New Year's just ain't New Year's
With the one you loveUnderneath the mistletoe
I saw his face all aglow
Last year this time
Now I stand all alone
And my house is not a home
Without that man of mineChristmas just ain't Christmas
Without the one you love
New Year's just ain't New Year's
With the one you love12 o' clock and all is well
And I was doing oh so swell
Last year this time
Going shopping for presents together
Making vows to leave each other never
It was a waiste of timeChristmas just ain't Christmas
Without the one you love
New Year's just ain't New Year's
With the one you loveOh, and now I stand all alone
And my house is not home
Without that man of mine, oohChristmas just ain't Christmas
Without the one you love
New Year's just ain't New Year's
With the one you love
