

# Christmas Ain't Christmas

SWV

Christmas just ain't Christmas  
Without the one you love  
New Year's just ain't New Year's  
With the one you love Underneath the mistletoe  
I saw his face all aglow  
Last year this time  
Now I stand all alone  
And my house is not a home  
Without that man of mine Christmas just ain't Christmas  
Without the one you love  
New Year's just ain't New Year's  
With the one you love 12 o' clock and all is well  
And I was doing oh so swell  
Last year this time  
Going shopping for presents together  
Making vows to leave each other never  
It was a waste of time Christmas just ain't Christmas  
Without the one you love  
New Year's just ain't New Year's  
With the one you love Oh, and now I stand all alone  
And my house is not home  
Without that man of mine, ooh Christmas just ain't Christmas  
Without the one you love  
New Year's just ain't New Year's  
With the one you love
