Advisory - the following lyrics contain explicit language:

Back down in the dirt;
make it harder, make it hurt.
Say more...Grasp.
Thrust it.
Say you want {me} baby, {to} lick your sweat.
Say that you need me while it's wet.
I wanna see you on your back giving head.
On your knees...
Please, give it to me now.
Give me more.
Give me more.
More...
Give me more.
{You're} force fed (x2)
Force fed...Pool of lust.
Make it harder. Grasp {it}.
Thrust it.
Say you want me baby, {to} lick your sweat.
Say that you need me while it's {I'm} wet.
I wanna see you on your back...Giving head.
On your knees.
Please give it to me now.
Give me more.
Give me more.
More...
Give me more.
Forced fed.
I was forced fed.
[whispers]
Force fed. (x2)
Give it to me.
Force fed.

I was forced fed...yeah.
Forced fed. (x2)
Lick it.
