Like To Get To Know You Well

Howard Jones

Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one, we can be one togetherLike to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one, we can be one together, togetherTogether we can cast away the fear
Together we can wipe away the tear
Together we can strip down the barriers
And be oneDon't wanna talk about the weather
Don't wanna talk about the news
Just wanna get to the real you insideLike to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one, we can be one togetherLike to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one, we can be one together, togetherAnd don't you think
Now is time we should be feelin'
Just wanna simply say
Won't let you slip awayPeople wanna talk about the future
Don't wanna linger on the past
Just wanna reach to the real you insideForget cold glances and rejections
Leave the things that separate
Build on a trust that we must stand onLike to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one, we can be one together, togetherYou finding all are insecure
Opening the same door
Leaving out a stubborn pride
Seeing from another sideLike to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one, we can be one togetherLike to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one, we can be one togetherLike to get to know you well
Like to get to know you well
Like to get to know you well

So we can be one, we can be one togetherLike to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one, we can be one togetherLike to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one, we can be one together
