

Teenagers From Mars

Buck-O-Nine

Well, we land in barren fields
On the Arizona plains
The insemination of little girls
In the middle of wet dreams We are the angel mutants
The streets for us seduction
Our cause unjust and ancient
In this B film born invasion Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't care Well, we've seen your 3D movies
In violent abduction
We blast your mindless structure
Inferior connection We take your weak resistance
Throw it in your face
We need no introduction
For mass annihilation Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't care Well, we need no introduction
No visas or carte blanche
Inhuman reproduction
We're here for what we want We want, we need it, we'll take it
We want, we need it, we'll take it
We want, we need it, we'll take it
We want, we need it, we'll take it, baby Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't care Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't care
Teenagers from Mars
And we don't care And we don't care

And we don't care, we don't care
We don't care, and we don't care
And we don't care
