

# You for You

## anders

Oh yeah, yeah  
Shawty like to network  
Comin' for your net worth  
Turn pain to pleasure  
She don't want your call when you hit her  
Runnin' 'til her back hurt  
She be doing legwork  
She just wanna be somebody, 'til she don't need nobody You want peace of mind, but ...  
But your heart's at war  
I think you need some love  
You said it's not enough  
So go ahead, yeah  
Got a bag on me, yeah yeah yeah  
Put your hands on me, yeah yeah yeah  
We can do it your way right now  
And you can't deny it  
You don't have to hide it  
You don't love me, nah nah nah  
'Cause you do it all for you  
And I can't control you  
I don't want to hold you  
You don't love me, nah nah nah  
'Cause you do it all...If it ain't about the money don't call her  
She'll do anything for a dollar  
Shawty got a past, can't blame her  
She's wild, I can't tame her  
I can't change you  
The money and the power and the fame do  
You just wanna be somebody, till you don't need nobody  
You want peace of mind, but ...  
But your heart's at war  
I think you need some love  
You said it's not enough  
So go ahead, yeah  
Got a bag on me, yeah yeah yeah  
Put your hands on me, yeah yeah yeah  
We can do it your way right now And you can't deny it  
You don't have to hide it  
You don't love me, nah nah nah

'Cause you do it all for you  
And I can't control you  
I don't want to hold you  
You don't love me, nah nah nah  
'Cause you do it all for youAll for you  
'Cause you do it all for you  
You don't love me, nah nah nah  
'Cause you do it all for youAll for you  
'Cause you do it all for you  
You don't love me, nah nah nah  
'Cause you do it all for you
