Passing Time

Lil Eddie

It was nice,
The time we spent together...
But nothing lasts,
Nothing lasts forever.....We met on the jump,
On the daily getting up,
You and I were floating on air.
We were so tempted to touch,
Tried to watch my manners,
But wecouldnt help to take it there.
It happened so fast,
Now theres no turning back.
You made this a relationship.
Every day youre mad,
Youre saying Im the worst,
Im nothing that you expected.I never said that you were my girl
And I was your man.
So why you only mean two words?
I never said you know youre gonna move on with your life,
But for now were just passing timeWe already know this aint gonna last for long,
Dont make me the bad guy.
Were only going with the flow,
So we wont be alone,
But were really passing time.Baby the lovings real good,
No doubt about it.
But this aint gonna work,
Cause we keep on fighting.
Were just passing time,
I aint trying to make you mine,
Were just passing time.
Passing time.
Were just passing time,
Passing time.
Were just passing time,Girl, how much do I mean?
Youre truly special to me,
But were not compatible.
I keep seeing different sides to you,
That just wont ride,
If you were officially mine.Dont wanna break your heart,
So get it out your head,

What we got aint serious.
Just keeping you company,
You aint in love with me,
Dont put a tag on us!I never said that you were my girl
And I was your man.
So why you only mean two words?
I never said you know youre gonna move on with your life,
But for now were just passing timeWe already know this aint gonna last for long,
Dont make me the bad guy.
Were only going with the flow,
So we wont be alone,
But were really passing time.
Baby the lovings real good,
No doubt about it.
But this aint gonna work,
Cause we keep on fighting.Were just passing time,
I aint trying to make you mine,
Were just passing time.
Passing time.
Were just passing time,
Passing time.
Were just passing time,
Passing time.I aint trying to make you mine!
You already know this aint gonna last for long,
Dont make me the bad guy.
Were only going with the flow,
So we wont be alone,
But were really passing time.
Baby the lovings real good,
No doubt about it.
But this aint gonna work,
Cause we keep on fighting.Were just passing time,
I aint trying to make you mine,
Were just passing time.
Passing time.
Were just passing time,
Passing time.
Were just passing time,
Passing time.
