

# Bon Voyage

## Sparks

Bon voyage, bon voyage  
Bon voyage, bon voyage  
Bon voyage, bon voyage  
Bon voyage, bon voyage Clouds forming on the gospel sky, trouble is about to brew on us  
It didn't matter that we tried, they can only take a few from us  
The fins and the paws and hooves and feet Saunter up the gangway  
The randomest sampling is complete God, could there be someway  
That I could, wear a hood  
Or by the way I stood  
Sneak aboard with you Imitate,  
Imitate,  
Imitate,  
Imitate,  
They still know its you Bon voyage, bon voyage, bon voyage,  
peace be with all of you  
I wish that I, I wish that I, were one of you Tears falling on the sloping sand,  
There about to leave and we will stay  
All governed by the rules of chance,  
They're about to leave and we will stay  
Goodbye to my lucky friends and foes,  
Glad that we could know you  
Everyone sends their last hello,  
I wish that we could join you Two of you  
Two of them  
Two of those  
Two of them  
Safety for the few Two of you  
Two of them  
Two of those  
Two of them  
They will start anew Bon voyage, bon voyage, bon voyage  
Peace be with all of you  
I wish that I, I wish that I, I wish that I Bon voyage, bon voyage  
Bon voyage, bon voyage  
Bon voyage, bon voyage  
Bon voyage, bon voyage Bickering,  
Dickering,  
Bickering,  
Dickering,

Everything that moves Bickering,  
Dickering,  
Bickering,  
Dickering,  
Final, futile moves Bon voyage, bon voyage, bon voyage,  
Peace be with all of you  
I wish that I, I wish that I, I wish that I Bon voyage, bon voyage  
Bon voyage, bon voyage  
Bon voyage, bon voyage  
Bon voyage, bon voyage
