JamaicaSurely goodness and mercy shall follow me
Follow me all my days
Surely goodness and mercy shall follow me
Yeah, follow me all of the days of my lifeUsed to believe that I could never ever please ya
Spent a long time runnin' scared
Couldn't receive that You would never ever leave me
Didn't know that You would call me friendBut now Your grace for me is ever chasin' me
No possibility of ever lettin' go
And You're not mad at me, no You're not mad at me
You're madly in love with me
You love me madly, madly, madlySurely goodness and mercy shall follow me
Follow me all my days
Surely goodness and mercy shall follow me
Yeah, follow me all of the days of my lifeWith all of my might I sing Your praises so freely
I lift my hands and I lift them high
Open my heart to say that You are so lovely
I worship You as a lifestyleAnd now Your grace for me is overtakin' me
No possibility of ever lettin' go
So You're not mad at me, no You're not mad at me
You're madly in love with me
