

I Still Can't Believe You're Gone

[Willie Nelson](#)

It's the very first day since you left me
But I tried to put my thoughts in a song
And all I can hear myself singin' is
I still can't believe you're gone I still can't believe that you'd really leave me
What did I do was so wrong
There's just too many unanswered questions
And I still can't believe you're gone But you're gone
And I'm alone
And I'm still livin'
I don't like it
But I'll take it till I'm strong
All I can hear myself singin' is
I still can't believe you're gone But you're gone
And I'm alone
And I'm still livin'
I don't like it
But I'll take it till I'm strong
And all I can hear myself singin' is
I still can't believe you're gone
And I still can't believe you're gone
