World Go Round

Storyhill

I had a dream, but it wasn't true.
I had a faded picture of you
fearlessly happy, unfastening free,
laughing at how hard life can be.Come on make my world go round.Look where we've come from:
nothing tall groves
a constant wind blows bitter and cold.
Climbed up a mountain through fields of snow
to look at the valley below.
Come on make my world go round,
Come on make my world go roundWon't you
let love
let you
down?
Come on
make my
world
go round.When the field is quiet,
and the day is won,
And the celebration songs have been song,
and princes and princesses sleep in their beds-
I'll bless you with a kiss on your head.Come on make my world go round.
Come on make my world go round.
Won't you
let love
let you
down?
Come on
make my
world
go round.
