Undefeated

Bobby Bare Jr.

I so adore your indifference it's like missing a ghost
Who is stepping right through you while headed back home
Repeat repackage rekindle just trying to get through
Learning to dance with the feeble stumbling parts of youUndefeated
She's undefeated
She just ain't gonna to feel itThere will be no signs of emotion as she's slipping away
Whatever your devotion she's well hidden away
Undefeated
She's undefeated
She just ain't gonna to feel it
