

# Strangers In The Night

**Basil Henriques**

Strangers in the night exchanging glances  
Wondering in the night  
What were the chances we'd be sharing love  
Before the night was throughSomething in your eyes was so inviting  
Something in your smile was so exciting  
Something in my heart told me I must have youStrangers in the night, two lonely people  
We were strangers in the night  
Up to the moment when we said our first helloLittle did we know  
Love was just a glance away  
A warm embracing dance awayAnd ever since that night we've been together  
Lovers at first sight, in love forever  
It turned out so right for strangers in the nightLove was just a glance away  
A warm embracing dance awayEver since that night we've been together  
Lovers at first sight, in love forever  
It turned out so right for strangers in the night
