

# Bad Blood

## Ten Years After

I've been running, I've been wild so long  
Don't know the difference between right and wrong  
Last production of a long hard line  
Being born was just the first of my crimes  
Roll on river roll on  
Nothing stops the flood  
Some souls ain't for saving  
Can't help being born with Bad Blood  
Born in the jungle you've got to fight to survive  
You'll never take me dead or alive  
Life ain't about living, it's trying not to drown  
Gonna rise up gonna tear you down  
Roll on river roll on  
Nothing stops the flood  
Some souls ain't for saving  
Can't help being born with Bad Blood  
I can see round every corner open any door  
I gave the touch to Midas I'll give you anything  
To satisfy your greed there's just one thing I need  
Everything  
Take it  
Listening to your conscience gets you nowhere fast  
Want to see into the future better look to the past  
'Cus I'll be rising when the sun goes down  
You don't know me I've always been around  
Roll on river roll on  
Just can't stop the flood  
Some souls ain't for saving  
Can't help being born with Bad Blood
