

# Afraid

## The Neighbourhood

When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
Make that money, fake that bunny, ache my tummy  
On the fence, all the time  
Paint junk honey, face so sunny, ain't that funny  
All my friends always lie to me  
I know they're thinking?  
You're too mean, I don't like you, fuck you anyway  
You make me wanna scream at the top of my lungs  
It hurts but I won't fight you  
You suck anyway  
You make me wanna die, right when I?

When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might end up being me  
Keep on dreaming, don't stop giving, fight those demons  
Sell your soul, not your whole self  
If they see it when you're sleeping, make them leave it

And I can't even see if it's all there anymore so?  
You're too mean, I don't like you, fuck you anyway  
You make me wanna scream at the top of my lungs  
It hurts but I won't fight you  
You suck anyway

You make me wanna die, right when I?  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might end up being me  
Being me and only me  
Feeling scared to breathe  
If you leave me then I'll be afraid of everything  
That makes me anxious, gives me patience, calms me down  
Lets me face this, let me sleep, and when I wake up  
Let me breathe

When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might end up being me
