

# Stop Me Now (feat. Dolla Boy)

## 2 Chainz

Nothing in the whole wide can stop me  
ooohhhh Nooothing can stop me  
Nothing in the whole wide world can stop me  
ooooohh Loving yoooooooouuu  
nothing in the whole wide world can stop me  
nothing, Nobody  
Can stop me from Loving yoooooooouuu  
(2Chainz)

Foreign exchange, i walk in the rain, still wont get wet  
nigga flick up the flame twist up the game switch up the chain  
play peek-a-boo i take ya girl and her friend and do a switch-a-roo  
started with a nick and got a 62 it was memorable my plan is worth diggable  
used to stashing work off in a inner tube in middle school  
i worked the trap no interviews just told shawty that im in to you im the type that make a old school a Bentley  
coupe turn one to ten that's what i tend to do it's an amber alert i gotta missing roof it was black and it was  
travelling fast I love you now I dont care about your ratchet past designer shoes matching bags let them niggas  
pop shit baby we popping tags if I ever fall off ill be hopping back got a bad bitch with me told her hop in back  
my car speak she dark meat I be eating MC's nigga shark teeth Velourz hoodie i ask em whats for goody if you  
are what you eat but i am not a pussy you couldnt stop me with a bunch of Uzi's and all we really do is shoot a  
bunch of movies\*Hook\* (X2)

Started from the bottom now we at the top graduated from high school and bought a choppa orville red and  
bocker bitch we got it poppin on the block with that white girl cindy lauper  
(2Chainz)

when they saw me they used to think of dope but now when they see me they just think of hope Inspiration no  
infiltration them niggas hatin i got they bitches naked hand full of ones pocket full of Hunn if i was sellin swag  
man i woulda sold it to em designer sneaks leather seats they say money talk thats why you never speak every  
verse i do is a rest in peace wish this highway to heaven had an extra seat rap game extra sweet big ass charm  
conversation peice  
(Dolla Boy)

million off rap but the trap was sweeter when dealings on the block all prices cheaper i been doing this since  
guess and fila they say my entourage each car four deep eight heaters drop the middle man to cut the cost they  
say my whole click cut from a different cloth and of course we pay the cost with each block that we off ya take  
off and call back it aint our fault that ya lost ya lil bitch ask ya boy bout them forty he lost talk slick glock forty  
ya boss now you the president fresher than peppermint whip tint till six bond number nine flow wall street  
bidness bitch.\*Hook\* (X2)

Started from the bottom now we at the top graduated from high school and bought a choppa orville red and  
bocker bitch we got it poppin on the block with that white girl cindy lauper  
Nothing in the whole wide can stop me
