

A Walk To Remember

Mandy Moore

I'll always remember it was late afternoon

It lasted forever but ended so soon

Yeah, you were all by yourself

Staring up at a dark gray sky, I was changedIn places no one will find

 All your feelings so deep inside

(Deep inside)Was there that I realized

 That forever was in your eyes

 The moment I saw you cry

(The moment that I saw you cry)It was late in September and I've seen you before

 You were always the cold one but I was never that sure

 You were all by yourself

Staring up at a dark gray sky, I was changedIn places no one will find

 All your feelings so deep inside

(Deep inside)Was there that I realized

 That forever was in your eyes

 The moment I saw you cry

(The moment that I saw you cry)I wanted to hold you

 I wanted to make it go away

 I wanted to know you

I wanted to make your everything, all rightI'll always remember it was late afternoonIn places no one will find

 All your feelings so deep inside

(Deep inside)Was there that I realized

 That forever was in your eyes

 The moment I saw you cry

(The moment that I saw you cry)I think I saw you cry

 The moment I saw you cry

 I wanted to know you, I wanted to know you
