

# Trinity Broadcasting (Know Your Enemy)

## Vehemence

The light is perfect, the cameras are set  
Makeup and wardrobe are nearly finished  
Talent is rehearsed, crowd fluffed, ready to explode  
In just five minutes it will be showtime,  
A few script changes to be expected  
Lepers a no-show, cancer victims healed instead  
Camera one fades from the intro into a nice tight close-up  
Pink haired god woman buried in make-up  
Rapture, Jesus on T.V. Trinity on T.V.  
Just keep watching  
Know your enemy  
Know your fucking enemy  
They start with arms held up high, they have to thank their Jesus  
For all the donations now they can brainwash more of you  
Call the number on the screen  
Nevermind the molesters, it's all part of God's plan  
God's plan Trinity on T.V.  
Just keep watching  
Know your enemy  
Know your fucking enemy  
Sickness  
Let the bullshit healing begin  
Bring your sickness to the main stage  
Healing  
Walk out to them, and then fall when touched  
Your mind tells you, you are healed  
Cancer  
And then you'll die for your blind faith  
All part of your fucking God's plan  
God's plan  
Time for a commercial break, stick around  
Time for a commercial break, we'll be right back  
The lighting is perfect, the cameras are set  
Make-up and wardrobe have gotten touched up  
God man is ready, crowd spent, but can go again  
In thirty seconds back on the airwaves prepare the spirit  
And make sure we have 800 number  
Operators standing by  
Camera one fades from the commercial into a nice tight close-up  
The God man smiles and asks for money  
Thank God for your money  
Know your enemy
