Let Me Go

Lou Doillon

I've got one
On my shoulder
I've got two
In both hands
And this far, as far as I wonder
They always call me backWon't you let me fly
Won't you let me goSo you run
From here to there
You run
From where you're from
Dance laugh
Pretend you don't know
That you're here alive
And there stuck somewhere
Play louder, louder
So that I won't care
So that I won't careWon't you let me fly
Won't you let me go
Won't you let me fly
Won't you let me goYes I love you, but I've got to let you know
Yes I love you, but I've got to let you know
Yes I love you but it's time for me to goTell me are you fine
Tell me are you safe
Tell me I'm free to go my way
Tell me getting ahead
It ain't letting you down
And breaking apart
It ain't holding your handWon't you let me fly
Won't you let me go
Won't you let me fly
Won't you let me go
