## Prince

Lie down, (fair one, pheromone), and come away  
Till the rain is over and gone  
G-G-Gimme the beat now (Face the music)  
Lead line (Face the music) If the air is a little thick in this room tonight  
I reckon it's the result of an onslaught of separatist rookies  
Overcome by this colorful sight Talkin' so fast that even they  
Talkin' so fast that even they  
Don't know what they mean Of all the things that base a rhyme  
How is it that you every time  
Regurgitate the racist lines that keep us apart? Thank God this ain't Monopoly  
You'd make us all go back to start Race  
In the space I mark human (Face the music)  
Race  
Face the music  
We all bones when we dead Race  
In the space I mark human (Face the music)  
Cut me, cut you  
Both the blood is red I gotcha Race  
Race Check it Three seats over there's a lady black  
Entrusted to her care is a little white girl  
And the fact of the matter is Before her momma or another kid at school  
Tells her about the fallacy that one race rules over the other  
She'd be a much-better-off-left fool (Face the music) If we never heard about the evils that those before us  
committed  
Then how my dear, tell me now how my dear, tell me now how now would we know And then the band say Race  
In the space I mark human (Face the music)  
Race  
Face the music  
We all bones when we dead Race  
In the space I mark human (Face the music)  
Cut me, cut you  
Both the blood is red I gotcha Race  
Race  
(Face the music) D-d-down with h-i-s-t-o-r-y and all this BS propagandi  
Keepin' you from me and me from you as we grow  
I don't want to know (I don't want to know)  
Why those before us hated each other I'd rather believe they never did  
I'd rather believe (I'd rather, I'd rather believe)  
That there's hope for a kid And if he imitates the best

I guess that's what I'll try to be  
And I will let the rest dissolve with my guitar underneath the seaRace  
(Face face face face face)  
Face the music (Face the music)  
Face the musicRace  
In the space I mark human (Face the music)  
Race  
Face the music  
We all bones when we deadRace  
In the space I mark human (Face the music)  
Cut me, cut you  
Both the blood is redGet it?  
Race  
Got itRace  
Face the music  
Race race  
(Face face face the music)  
Race race  
(Face face face the music)  
Race race  
Race race  
(Face-F-Face the music)Race
