Where Were You?

I Am the Avalanche

Where were you that night, it rained like hell?
It started slow. And continued on.
It washed our cars into the sea. You were the only one missing.
If you weren't there when I needed you most.
I won't shed a tear when I see your ghost. Whoa.Can you face your friends when they have laid it on the line for you?
And you've done nothing but disgrace the gang and let them hang.
That's what our heart is for, to use.If you weren't there when I needed you most.
I won't shed a tear when I see your ghost. Whoa.
Ask the question!
Where were you when the lights went out?
Do you live like you should?
Where were you when the lights went out?
Just 'cause you can doesn't mean that you should.
Do you live like you should?Where were you that night, it rained like hell?
It started slow. And continued on.
It washed our cars into the sea. You were the only one missing.
If you weren't there when I needed you most.
I won't shed a tear when I see your ghost. Whoa.
Ask the question!Where were you when the lights went out?
Do you live like you should?
Where were you when the lights went out?
Just 'cause you can doesn't mean that you should.
Do you live like you should?
Would you try to save my life?
If it meant giving up your lie?Where were you when the lights went out?
Do you live like you should?
Where were you when the lights went out?
Just 'cause you can doesn't mean that you should.
Do you live like you should?
