

Burning Bridges

[Glen Campbell](#)

Found some letters that you wrote me this morning
And they told of a love we once knew
Now they're gone, I've burned them to ashes
Don't want nothing to remind me of you Burning bridges behind me
It's too late to turn back now
Burning bridges behind me
All I want is to forget you somehow Sold the house we once planned together
I said goodbye to the friends we once knew
Then I moved to a faraway city
Trying hard to forget about you Burning bridges behind me
It's too late to turn back now
Burning bridges behind me
All I want is to forget you somehow
All I want is to forget you somehow
