They That Wait

Fred Hammond

Listen, to those of you that are going through
For those of us that are waiting on his promise
Understand God has not forgotten you
When times get tough, you got to look up to heaven
And encourage yourself, and sing
They that wait on the Lord
Shall renew their strength
They shall mount up on wings
Just like an eagle and soar
They shall run and not be weary
They shall walk and never faint
They that wait on the Lord
And I say wait on the Lord
Hold on a little while longer
Here's what you got to do
Trust and believe my friend
He'll work it out for you
One thing you must remember
My God is able and
He cares for you
He cares for you
Wait on the Lord and He will come through
Wait on the Lord, He will answer you
Wait on the Lord and He won't be long
Wait on the Lord, He's going to work for they that wait
They that wait on the Lord
Shall renew their strength
They shall mount up on wings
Just like an eagle and soar
They shall run and not be weary
They shall walk and never faint
They that wait on the Lord
And I say wait on the Lord
Hold on a little while longer
Here's what you got to do
Trust and believe my friend
He'll work it out for you
One thing you must remember
My God is able and

He cares for you
He cares for you
Wait on the Lord and He will come through
Wait on the Lord, He will answer you
Wait on the Lord and He won't be long
Wait on the Lord
They that wait upon him
Shall have renewed strength
They shall mount up on wings like eagles and soar
I'm so glad
I've learned how to wait
In the midst of my waiting
I'm gonna bless His name
They that wait on the Lord
Shall renew their strength
They shall mount up on wings
Just like an eagle and soar
They shall run and not be weary
They shall walk and never faint
They that wait on the Lord
And I say wait on the Lord
Wait on the Lord and He will come through
Wait on the Lord, He will answer you
Wait on the Lord and He won't be long
Wait on the Lord
Let me see you break it down with me
Let me see you break it down with me
Wave your hands and shake your hands
And tell your neighbor
Hold on a little while longer
Hold on, hold on
Hold on a little while longer
Hold on, hold on
Hold on a little while longer
Hold on, hold on
Hold on a little while longer
Hold on, hold on
Don't give up
Don't give up
Don't give up
Wait on Him, wait on Him
Don't give up
Don't give up
Don't give up
Wait on Him, wait on Him

Wait on Him, wait on Him
Wait on Him, wait on Him
Wait on Him, wait on Him
Wait on Him, wait on Him
Wait on Him, wait on Him
Wait on Him, wait on Him
Wait on Him, wait on Him
Wait on Him, wait on Him
Everything that I've learned
I can stand on words confirmed
Don't give up
Wait on Him, wait on Him
Look at your neighbor tonight
And tell him don't give up
Don't give up, don't give up
I can, I will
Wait on Him, wait on Him
Wait on Him, wait on Him
Wait on Him, wait on Him
