Cry Out

Paradise Lost

Too ashamed to lie and so betray
Too afraid denials slow intakeCry out as you flee disasterDoomed a failure, life is sold and played
Universals spineless cause is frayedCry out as you flee disasterA spear impaled in settled dust
Tortured, drained, the fire crushed
Lost in vein no others trust
Reaching the death of innocence
You cry out as sinners against the world
You the break the chain you feed reaction
Too ashamed you lie and so betray
Too afraid denials slow intakeCry out as you flee disaster
You cry out as sinners against the world
You the break the chain you feed reaction
