

# Kiss And Tell

Alexander Rybak

And you always try to warn me  
Of the pretty girls out there  
Now I finally learned my lesson  
And she's got a story to share. Don't kiss and tell!  
Don't kiss and tell! This is song my mama said  
Love don't cost a thing.  
Happiness is free for all  
Just treat it like it's keen.  
If you true of list a day  
Mature to go wrong.  
The girl will I follow the way  
As she waves so long. Don't kiss and tell!  
And you always try to warn me  
Don't kiss and tell!  
Of the pretty girls out there  
Don't kiss and tell!  
Now I finally learned my lesson  
And she's got a story to share. Some years later I found love,  
When it seems to go my way.  
The girl is like a fairytale,  
I didn't have to pay.  
So one day my sweetheart went  
Then mama's words come true  
Crying with a broken heart  
I was left all blue. Don't kiss and tell!  
And you always try to warn me  
Don't kiss and tell!  
Of the pretty girls out there  
Don't kiss and tell!  
Now I finally learned my lesson  
And she's got a story to share. Love is always  
Love is always for sale  
Cause someone's willing  
Someone's willing to pay. Don't kiss and tell!  
And you always try to warn me  
Of the pretty girls out there  
Now I finally learned my lesson  
And she's got a story to share. Don't kiss and tell!  
And you always try to warn me

Don't kiss and tell!  
Of the pretty girls out there  
Don't kiss and tell!  
Now I finally learned my lesson  
And she's got a story to share.
