

Change of Scene

Spunge

My girls a trend setter, go-getter always trying for something better
And so shes easily board
Shes got just one problem, stupid question
But shes up for my suggestions
So I just learn to ignore And now shes looking for a lover in town just like her mother
She said she needs a change of scene
I thortht she meant a haircut
Maybe some new make-up
I think this is a little extreme!!! When she first came into the bedroom I'd say
Yeah yeah yeah yeah yeah yeah yeah
(ROCK ROCK ROCK ROCK)
But that backfired cos she likes her girlfriend better so
Nah nah nah nah nah nah Shes got a phone number she found under 'Ready, willing, Bi and other'
Found in a magazine
I won't bore you with all the rest, lets just say it sounded best
Could say she was super keen And now shes found herself a lover in town just like her mother
She said she needs a change of scene
I thortht she meant a haircut
Maybe some new make-up
I think this is a little extreme!!! When she first came into the bedroom I'd say
Yeah yeah yeah yeah yeah yeah yeah
(ROCK ROCK ROCK ROCK)
Burned out the fire cos she likes her girlfriend better so
Nah nah nah nah nah nah And now shes found herself a lover endowed just like her mother
She said she needs a change of scene
I thortht she meant a haircut
Maybe some new make-up
I think this is a little extreme!!! When she first came into the bedroom I'd say
Yeah yeah yeah yeah yeah yeah yeah
(ROCK ROCK ROCK ROCK)
Burned out the fire cos she likes her girlfriend better so
Nah nah nah nah nah nah Never and now... [x3]
now now now now now
(ROCK ROCK ROCK ROCK)
Never and now... [x3]
now now now now now
Never and now
