

# JACK HAMMER

## Aidonia

John was a metal-headed monster  
He caught a piece of the earth  
Sometimes he flew off the handle  
But that was his handle  
C'mon, c'mon good buddy  
He's Jack Hammer  
Jonathan, Jonathan H A M M E R  
He had a fist full of dirt  
Had a shirt  
He had boots, they were black  
His fist came so close, she had a wind attack  
He's Jack Hammer  
He's Jack Hammer  
Mouth like a power saw  
Head like a radio  
Hand like a bear paw  
Pants full of tadpoles  
He's Jack Hammer  
He's Jack Hammer
