

# Arrow

## Rag'n'Bone Man

Oh your love keeps me in chains  
Just like the river I come back again  
Oh your fear keeps me right here  
You'll be the arrow, the arrowTimes up, I'm alright  
The fire's out, the stars are burning  
Don't speak, say something my love  
The walls are cracking, our hearts are falling  
God knows I didn't see this coming  
Can you hear the sound of skies crying?  
My love, my loveOh your love keeps me in chains  
Just like the river I come back again  
Oh your fear keeps me right here  
You'll be the arrow, the arrowOh your love keeps me in chains  
Just like the river I come back again  
Oh your fear keeps me right here  
You'll be the arrow, the arrowThe wind's changed  
This love was begging  
To feel the same  
But you gave me nothing  
I'm here again  
The sky is crying above, above  
If you told me then  
What I know now  
I'd be long gone, but I'm here somehow  
Can you hear the sound?  
The sky fell down on us, on usOh your love keeps me in chains  
Just like the river I come back again  
Oh your fear keeps me right here  
You'll be the arrow, the arrowSo the story goes  
We weren't high enough, high enough  
Don't you need this no more?  
Are you strong enough, strong enough  
To lose it, to fool yourself?  
So hard to understand  
Guess I didn't wanna change  
This hold on me, this hold on meOh your love keeps me in chains  
Just like the river I come back again  
Oh your fear keeps me right here  
You'll be the arrow, the arrowOh your love keeps me in chains

Just like the river I come back again  
Oh your fear keeps me right here  
You'll be the arrow, the arrow
