

Blame It on You

Poison

She's got pizazz
Like a razzmatazz
I'd like to slide it in
But where do I beginWastes all my money
Spends all my time
I ain't got no luck
Can't change her mindBlame it on you
I can't stand up
Blame it on you
I'm keepin' my mouth shut
Blame it on you
I can't see straight
Blame it on you
Uh-oh, too lateI want a little reaction
How 'bout a kiss or two?
She said, "Jump back honey,"
I said, "no can do."Why do you always make a fool out of me?
I can't get no nookie
Just plain to seeWastes all my money
Spends all my time
I ain't got no luck
Can't change her mindBlame it on you
I can't get no sleep
Blame it on you
I'm in six feet deep
Blame it on you
Well I guess it's true
Blame it on you
Yes, I doI blame this whole damn mess, honey
Right on youNow listen little girl, let me explain
Why you got me in such a terrible way
She's got pizazz
Like a razzmatazz
I'd like to slide it in
But where do I beginBlame it on you
I can't get no sleep
Blame it on you
I'm in six feet deep
Blame it on you

Well I guess it's true

Blame it on you

Yes, I do
