

# We Got The Party

## Jonas Brothers

[HANNAH:]

Come on guys tell me what we're doing  
We're hangin' around when we could be all over the place

[JOE:]

The sun is shinin' just the way we like it  
Let's get out of this hallway  
Show the world our face

[HANNAH:]

It's Friday but there's nowhere to go  
Anywhere is cool but we're not going home

[NICK:]

And we can do anything we wanna do  
It's all up to me and you

[ALL:]

[Chorus:]

Turn this park into a club  
the stars and lights and the moon is a vibe from above  
These skateboard heels all right so cool  
Everyone is waiting for us

So anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us

[HANNAH:]

Oh oh oh oh oh oh oh oh oh oh oh oh  
We got the party with us  
Oh oh oh oh oh oh  
We got the party with us

[JOE:]

Radio, let me be your DJ

I'll turn you up because we're moving 'till we're on a roll

[ALL:]

Everyone is dancing to their own beat  
And letting go, everybody here's out a soul

[NICK:]

It's Friday and there's nowhere to be  
We're kickin' it together it's so good to be free  
We got each other and that's all we need  
The rest is up to you and me

[ALL:]

[Chorus]

[JOE:]

So anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us

[HANNAH:]

Wooo!  
We got the party!

[Bridge:]

Life is for dreamers and I'm a believer  
That nothing can stand in our way today to start the place to play

[ALL:]

[Chorus:]

Turn this park into a club  
the stars and lights and the moon is a vibe from above  
These skateboard's here's our ride so pull on up  
So pull on up everyone is waiting for us

Anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us  
Anywhere we are  
Anywhere we go

Everybody knows  
We got the party with us

Turn this park into a club  
the stars and lights and the moon is a vibe from above  
We got the party with us  
Skateboards, heels  
So pull on up everyone is waiting for us

Anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody knows  
Oh oh oh  
We got the party, we got the party, we got the party, we got the party with us  
Oh oh oh oh oh  
We got the party with us
