We Keep On Getting There

Luxuria

We keep on getting there
We'll keep on until we do
I wouldn't hold my breath
If I were you
Right now this could be anywhereWe keep on getting there
Will we never arrive?
And if we ever do
Will we still be alive?
They say we're beyond repair
We keep on getting there
We keep on getting thereWe keep on getting there
Our nerves always raw
As it was long ago
We've been here before
Never, never again we swearWe keep on getting there
The tribe time forgot
We can hardly wait
Whether we want to or not
You'll never catch us unaware
We keep on getting there
We keep on getting thereWe keep on getting there
We're going with the flow
For the likes of us
There's nowhere else to go
We keep on getting there
There's no going back
We move from sign to sign
Ahead of attackOn a withered wing
With a one word prayer
It's more than
I thought I could ever bear
We keep on getting there
We keep on getting there
We keep on
