Herman's Hermits

(iain sutherland)
Producers for bonnie: hugh murphy/ ronnie scott/ steve wolfe
Darlin', every night I keep wonderin'
What I'm not doin' right
The fire's burnin' bright
And you look so, oh so good tonight
*i've been tryin' to make yon happy
For such a long time
Workin' hard to keep you
So much it's a crime
Give me what I want
'cause I'm losin' my mind for your
**wild love
All I want is your wild love
Give me a taste of your wild love
While I'm making love to you
Somewhere in your eyes
There's a lovelight that you just can't disguise

Darlin', darlin', darlin', every night
I still wonder what I'm not doing right
*repeat
**repeat 2 times
Oh yeah, oh baby, oh
**repeat
Makin' love to you
Makin' love to you
Oh yeah, ooh
**repeat
Wild love, wild love
Give me a taste or your wild love
While I'm makin' love to you
Oh yeah, give me, give me more or your
**repeat
