ä¸-å³¶ç¾Žå˜‰

You're on my side again
You make me cry again
SmileyYou talk me round again
Everything's left
So untidyI'm not that strong
Everything's easy
GreezyYou're not a bitch
It's your job, tease me
Push meUnder your thumb
Am i suffering
From being tied?Keep it easy
I'm not one to fight
Close your mouth
I'm not one to fightDon't be a friend to me
Keep yourself far from me
SmileyMake it easy
I'm not one to fight
Close your mouth
I'm not one fightUh...
