

SMILEY

ä_ -â³¶ç³⁄⁴Žâ~%o

You're on my side again
You make me cry again
Smiley You talk me round again
Everything's left
So untidy I'm not that strong
Everything's easy
Greezy You're not a bitch
It's your job, tease me
Push me Under your thumb
Am i suffering
From being tied? Keep it easy
I'm not one to fight
Close your mouth
I'm not one to fight Don't be a friend to me
Keep yourself far from me
Smiley Make it easy
I'm not one to fight
Close your mouth
I'm not one fight Uh...
