

I Wanna Be With You

Mandy Moore

Try but I can't seem to get myself
To think of anything but you
Your breath on my face, your warm gentle kiss
I taste the truth, I taste the truth We know what I came here for
So I won't ask for more I wanna be with you, if only for a night
To be the one who's in your arms who holds you tight
I wanna be with you, there's nothing more to say
There's nothing else I want more than to feel this way
I wanna be with you, yeah So I'll hold you tonight
Like I would if you were mine to hold forevermore
And I'll savor each touch
That I wanted so much to feel before, to feel before How beautiful it is
Just to be like this I wanna be with you, if only for a night
To be the one who's in your arms who holds you tight
I wanna be with you, there's nothing more to say
There's nothing else I want more than to feel this way
I wanna be with you Oh, baby, I can't fight this feeling anymore
It drives me crazy when I try to
So come on and take my hand
Can you make my wish, baby, your command? Yeah I wanna be with you, there's nothing more to say
There's nothing else I want more than to feel this way
I wanna be with you, oh, yeah, I wanna be with you
Wanna be with you, yeah I wanna be, I wanna be with you, yeah, yeah
I wanna be, I wanna be, baby
I wanna be, I wanna be with you, yeah
Wanna be with you
