

# I Want to Thank You

## Billy Preston

I've got you  
(I've got you)  
And I don't need nobody else  
I've got you  
(I've got you)  
You are all my happiness  
Come what may  
You brighten all my darkest days  
And for this  
I wanna thank you  
Just to spend  
One day or night alone with you  
Ooh, does make all  
(Does make all, ooh)  
My plans, my schemes and dreams come true  
Just your smile  
That's made all my livin' years worthwhile  
And for this  
I wanna thank you, baby  
Let me tell you why  
Before you, life was a sad song  
Every love affair I tried  
Always turned out wrong  
But, darling, that's that day you came to me  
And you changed it, you changed it  
You changed it to ecstasy  
Yeah, yeah, yeah, yeah, yeah, yeah  
You have changed  
(You have changed, ooh)  
All my sorrow into endless joy  
And ooh-hoo, you have made  
(You have made, ooh)  
A man out of a lonely boy  
And there's no one else  
There's no one else in this world  
Can make me feel the way you do, baby  
And for all of this  
I wanna thank you  
(I wanna thank you)  
For being so sweet to me  
I wanna thank you  
(I wanna thank you)  
You've been good to me  
And I wanna thank you, yeah, yeah  
(I wanna thank you)  
You didn't have to love me, but you did  
And I wanna thank you, baby  
(I wanna thank you)

Thank you, babyI'd like to take time out  
I wanna thank you, girl, yeah, yeah  
(I wanna thank you)  
For being sweet to Billy  
I wanna thank you  
(I wanna thank you)
