How You Like Me Now

Alexis Jordan

Na, na-na-na, na-na-na-na-na
(Yeah)
Na, na-na-na, na-na-na-na-na
(Yeah)
Na, na-na-na, na-na-na-na-na
(Yeah, yeah, yeah)Boy, I know you heard around town
That your girl got fine and that hurts you, yeah
Boy, I heard you gained a few pounds
Well, I lost some, boy, you really lost one here
(Hey)I ain't gonna front, boy, I'm gonna start on you
'Cause the tables are turned
And a lesson you're gonna learn
Is you should knowI bet that you regret the day you left
'Cause I'm doing fine and you're a mess
Well, let me ask you, how do you like me now?
How you like me now, how you like me now?You didn't understand what I could be
Everything I was, you couldn't see
Now let me ask you, how do you like me now?
How you like me, how you, how you like me now?Boy, you left me crying in the streets
'Cause you didn't wanna deal with my drama
(Hey)
Boy, and now you're begging on your knees
For a piece of me and that's called karma
(Oh hey)I ain't gonna front, boy, I'm gonna start on you
'Cause, boy, you got and, boy, you aren't
And a lesson you gonna learn
Is you should knowI bet that you regret the day you left
'Cause I'm doing fine and you're a mess
Well, let me ask you, how do you like me now?
How you like me now, how you like me now?You didn't understand what I could be
Everything I was, you couldn't see
Now let me ask you, how do you like me now?
How you like me, how you, how you like me now?Na, na-na-na, na-na-na-na-na
Na, na-na-na, na-na-na-na-na
(Yeah)
Na, na-na-na, na-na-na-na-na
(Yeah, yeah, yeah)
'Cause you should knowI bet that you regret the day you left
'Cause I'm doing fine and you're a mess

Well, let me ask you, how do you like me now?
How you like me now, how you like me now?You didn't understand what I could be
Everything I was, you couldn't see
Now let me ask you, how do you like me now?
How you like me, how you, how you like me now?I bet that you regret the day you left
'Cause I'm doing fine and you're a mess
Well, let me ask you, how do you like me now?
How you like me now, how you like me now?You didn't understand what I could be
Everything I was, you couldn't see
Now let me ask you, how do you like me now?
How you like me, how you, how you like me now?Na, na-na-na, na-na-na-na-na
