I'm All Yours (feat. Pitbull)

Jay Sean

I'm all yours tonight
Got a feeling that I can't deny
Everything about gets me high
Girl I want this for the rest of my life
I'm all yours

[Pitbull]
Success is here, and she don't play
I'm ready for it though, throwing my way
Hard ton, and I doubt you can save it
It's okay, it's been like one thousand baby
Thoughts deep scooba, my mind is free
I consinder cuba
Take me for my money or my fame
Papa don't try, see right through ya
Four lawsuits, one near, two down, two to go
Been a expensive year
Good thing I know I was built for the war
I was built to be all yours
Abuelita is a rebel, my mother's fighter
Tia is a G, and my sister a gangster

I'm all yours tonight
Got a feeling that I can't deny
Everything about gets me high
Girl I want this for the rest of my life

And celebrate tonight
And together we gon' touch the sky
Everything about gets me high
Girl I want this for the rest of my life
I'm all yours

Girl I want this for the rest of my life
I'm all yours

Say it ain't so
You're reading every thought in my mind
Lady, lady, so damn beautiful
That I could just stare at you all night

And girl then the champagne, the music
Just don't feel to sing, no
Cause lately these bright lights don't shine unless you're here with me, baby

I'm all yours tonight
Got a feeling that I can't deny
Everything about gets me high
Girl I want this for the rest of my life

[Beat break]

Girl I want this for the rest of my life
I'm all yours

But I'd do it for you, i'd rap for you girl
I'd laugh for you go, i'd cry for you
Die for you girl, the truth is it's all for you girl

We gon' fly yeah
And we gon' sore yeah
Tonight it is ours yeah
And I'm all yours yeah
Yeah I'm all yours yeah
Yeah I'm all yours yeah
Yeah I'm all yours yeah
Yeah I'm all yours

I'm all yours tonight
Got a feeling that I can't deny
Everything about gets me high
Girl I want this for the rest of my life
I'm all yours

Girl I want this for the rest of my life
I'm all yours
