Exits And Entrances

We Are The In Crowd

She's like a rock
And I keep
Chipping of a piece to hold onto
And she's got a lot of nerve
Not seeing you the way that I do
We are or we're about to be
So much closer than you thought that we could ever be
Well I'm sorry to say that I gave it away
Well I'm empty
And you're empty
It's none of my business
But I won't be a witness
If I hang on for the ride
I promise I'll crash
Without her there
She's like a rock
And you keep
Chipping off a piece to hold onto
And there's gotta be, gotta be
Something more than this
Than a life full of exits and entrances
I know the way this plays out
But I couldn't find the words to tell you
And you thought that every time
She would never tell a lie

But believing a liar
Is feeding the fire
It's none of your business
But I won't be a witness
No, it's none of your business
But I won't be a witness
She's like a rock and you keep
Chipping off a piece to hold onto
And there's gotta be, gotta be
Something more than this
Than a life full of exits and entrances
Did you get what you wanted?
Cause I couldn't get enough

No I'm back where I started, again
She's like a rock
And you keep
Chipping off a piece, chipping off a piece
(Yeah she's like a rock)
Hang on for the ride
She's like a rock
And you keep
Chipping off a piece
To hold onto
And there's gotta be, gotta be
Something more than this
Than a life full of exits and entrances
