

# All That You Are

## Nelons

Repeating in my head  
Betrayal  
Repeating in my head  
Insecurities  
Repeating in my head  
Dividends  
It's not your fault  
The well of thought and trust has run dry  
Don't be afraid to let go  
Don't be afraid to start over when it's over  
Let go  
Let go  
Let go  
Let go  
Let go of feelings, let go of compromise  
Hollow trunk for shelter, so dark and cold inside  
I always seem to find myself alone  
Jaded shell of being, porous as a stone  
Calloused  
Rigid  
Empty  
Because of you  
Let go of trusting, lost thought for family  
Let go of living, no more concerns of demise  
I never seem to find rhythm for life's harmony  
Contorted, twisted broken, without a reason  
Calloused  
Rigid  
Empty  
Because of you  
It's all me  
All you are without me  
There's nothing else  
There's no one  
Brainwash  
All you are without me  
You're by yourself  
There's no one  
Hope is out of season

Lost sight, no hint of light  
Get busy living or get busy dying  
Calloused  
Rigid  
Empty  
Because of you  
It's all me  
All you are without me  
There's nothing else  
There's no one  
Brainwash  
All you are without me  
You're by yourself  
There's no one  
Save me this loss  
Closure my answer  
So grant it  
You owe me all that you are  
Without me you're nothing  
You're no one  
Terrified  
Petrified  
Nothing  
You're no one  
Do you care because I don't  
Nothing  
You're no one  
Nobody cares so just go  
Nothing  
You're no one  
By yourself all alone  
It's all me  
All you are without me  
There's nothing else  
There's no one  
Brainwash  
All you are without me  
You're by yourself  
There's no one  
Save me this loss  
Closure my answer  
So grant it  
You owe me all that you are  
Without me you're nothing
