# Wake Up

## Three Days Grace

I'm not sober all the time
You bring me down at least you try
Until we see this eye to eye
I don't want youI must be running out of luck
Cause you're just not drunk enough to talk
And now I've had it up to here
I don't, I don't want youIt took so long to say
You walked away from me
When I need youWake up, I'm pounding on the door
I'm not the man I was before
Where the hell are you?
When I need youWake up, I'm pounding on the door
I won't hurt you anymore
Where the hell are you?
When I need youI'm not angry all the time
You push me down, at least you try
Until we see this eye to eye
I don't want youIt took so long to say
You walked away from me
When I need youWake up, I'm pounding on the door
I'm not the man I was before
Where the hell are you?
When I need youWake up, I'm pounding on the door
I won't hurt you anymore
Where the hell are you?
When I need youIt took so long to say
You walked away from
When I need youWake up, I'm pounding on the door
I'm not the man I was before
Where the hell are you?
When I need youWake up, I'm pounding on the door
I won't hurt you anymore
Where the hell are you?
When I need you
