Guess Again!

Thom Yorke

Wild dogs are howling
Behind the curtains
I hold on to my children
Creatures staring in
All of my nightmares
Are in the garden
Guess again!I'm fighting in the darkness
The one who can't be killed
Elastic bionic man
Guess again!As one door shuts
Another opens
Guess again!Do you think your mind blows up?
Do you think your mind blows up?
Guess again!
Do you think your mind blows up?
Do you think your mind blows up?
