Silence Is Golden

The Four Seasons

Oh, don't it hurt deep inside
To see someone do something' to her?
Oh, don't it pain to see someone cry?
Oh especially when someone is herSilence is golden
But my eyes' still see
Silence is golden, golden
But my eyes still seeA talkin' is cheap, people follow like sheep
Even though there is nowhere to go
How could she tell he deceived her so well
Pity she'll be the last one to knowSilence is golden
But my eyes' still see
Silence is golden, golden
But my eyes still seeHow many times did she fall for his line?
Should I tell her or should I keep cool?
And if I tried I know she'll say I lied
Mind your business, don't hurt her, you foolSilence is golden
But my eyes' still see
Silence is golden, golden
But my eyes still seeBut my eyes' still see
But my eyes' still see
