

Hold On We're Going Home

Ojerime

[Bridge]

I got my eyes on you, you're everything that I see

I want your hot love and emotion endlessly

I can't get over you, you left your mark on me

I want your high love and emotion endlessly[Hook: Drake]

Cause you're a good girl and you know it

You act so different around me

Cause you're a good girl and you know it

I know exactly who you could be

Just hold on we're going home

Just hold on we're going home

It's hard to do these things alone

Just hold on we're going homeI got my eyes on you

You're everything that I see

I want your hot love and emotion endlessly

I can't get over you

You left your mark on me

I want your hot love and emotion endlessly[Hook: Drake]

Cause you're a good girl and you know it

You act so different around me

Cause you're a good girl and you know it

I know exactly who you could be

Just hold on we're going home

Just hold on we're going home

It's hard to do these things alone

Just hold on we're going homeYou're the girl

You're the one

Gave you everything I love

I think there's something, baby

I think there's something, babyYou're the girl

You're the one

Gave you everything I love

I think there's something, baby

I think there's something, babyCause you're a good girl and you know it

You act so different around me

Cause you're a good girl and you know it

I know exactly who you could be

Just hold on we're going home

Just hold on we're going home

It's hard to do these things alone
Just hold on we're going home
