

# Blue Jeans

Marc Broussard

Never would I have imagined  
I'd be here with you tonight  
Holdin' you in my arms, as we dance  
I gotta tell you it just feels so right Now, now Something about you  
Moves me deep inside my soul  
When I look into your eyes  
Just in case I haven't  
Already let you know  
Here's just a couple of wishes of mine I want you to stay up  
Talkin' to me  
All night long  
Call me up out of the blue  
Just to see what's going on  
Even if I never see  
Another day with you  
I hope you know  
I appreciate you Scatting So many things I want to say to you  
But the timings just not right  
I don't want to stir you up too soon  
So baby be with me tonight Yeah, yeah, yeah Something about you  
Moves me deep inside my soul  
When I look into your eyes  
Just in case I haven't  
Already let you know  
Here's just a couple of wishes of mine I want you to stay up  
Talkin' to me  
All night long  
Call me up out of the blue  
Just to see what's going on  
Even if I never see  
Another day with you  
I hope you know  
I appreciate you
