# Raven

## Lisa Marie Presley

And as the raven flies, she feels unwelcome
She's fallen out of her tree
Caught on a limb of silver linin'
Her wings uncertain oh but she's still flyin'
Yeah little raven, I see you thereHold your head up now
I won't try and pull your feathers out I promiseGo on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really, beautiful ladyWhy don't you fly with me?
We'll have a chat and a cup of tea
And a long lost need to see who's really there
And you'll finally be okay with me
And I'll hear your stories that fill your sad eyes
When you had raven hairHold your high up high
I know that I've been ruthless, I've been ruthlessGo on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really, beautiful ladyGo on dry your eyes
Hey you finally see me, hi and I see you
And everything till now
It wasn't that bad really, beautiful ladyGo on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really, beautiful lady
